I would like to apply for an Annual Parking Permit for 12 months from **October 1 – September 30**, at an introductory cost of **\$417.50**. Pro-rata rates will apply if application received within the permit period.

Annual Parking Permits allow permit holder to park a vehicle in any one of Parking Station No.20 parking areas.

Valid Parking Station names:

Ellenbrook Town Centre – Parking Station No.20

No. of permits required by you or your organisation if applying as a business: _____

Please supply vehicle registration of ALL vehicles that will utilise permit/s:

_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____

I am aware that it is the responsibility of the organisation to inform permit holders that permits must be displayed in the lower right-hand corner of the vehicle windscreen so that it is clearly visible and legible to an Inspecting Officer. I am aware that failing to do so may result in Infringement Notices being issued under City of Swan Parking Local Law 2023 - Consolidated.

Please advise the City's Community Safety business unit should any details above change.

Signature: _____ **Date:** _____

Note: Permit/s will not be issued until full payment has been received. Permits to park vehicles in an All Day parking bay is granted subject to the permit holder complying with all relevant provisions of the City's Local Laws relating to Parking, Parking Facilities and other written laws. If the City forms the opinion the applicant has not complied with Local Laws or other written laws, the City may revoke the permit immediately and without notice.
